## Cleveland Clinic Community COVID Vaccination Clinic

**WHEN:** Every Monday, beginning March 8, 2021 thru May 24, 2021

**WHERE:** All appointments will be scheduled to be administered at:

**Langston Hughes Community Health & Education Center**  
2390 E 79th St, Cleveland, OH 44104

### **VERY IMPORTANT**

Individuals who meet the criteria of being 60+ (**1C Group**) and live only within the following zip codes are eligible to be pre-registered. And those who are under 60 years old must have the following conditions:

- Sickle cell anemia
- Down Syndrome
- Spina Bifida
- People born with severe heart defects, requiring regular specialized medical care.
- People with severe type 1 diabetes, who have been hospitalized for this in the past year
- Phenylketonuria (PKU), Tay-Sachs, and other rare, inherited metabolic disorders.
- Epilepsy with continuing seizures; hydrocephaly; microcephaly, and other severe neurological disorders.
- Turner syndrome, fragile X syndrome, Prader-Willi syndrome, and other severe genetic disorders.
- People with severe asthma, who have been hospitalized for this in the past year.
- Alpha and beta thalassemia.
- Solid organ transplant candidates and recipients.
- Pregnancy
- Bone Marrow Transplant
- ALS

Ohioans who work in certain occupations, including child care services, funeral services, and law enforcement and correction services also qualify to receive this vaccine in the 1C group and can also register to receive the vaccine.
